HELP US TO HELP YOU?

We are searching for parents of School children living in South Barnsley who are interested in feeling better about themselves, learning how to improve their self-esteem, building confidence, improve overall health & wellbeing and develop skills to help them be empowered to progress further.

We address issues that can hold parents back from achieving their full potential.

Can you spare 2 hours per week term time only to allow time for you?

If the answer is yes then this fully funded course could be right for you.

If you are feeling stuck in a rut, would you like time to do something different while the kids are at school?

Looking at the next steps but don't know where to start, then we can be your ideal starting point

For more information, please contact
