Spring Term 1 Week 2

This Week's Notices

Children's names in clothes

Lost Property is usually kept within classes. However, there are increasing numbers of parents coming into reception at the end of the day looking for lost items of clothing.

Please can you put your child's names into all items of uniform, including coats and shoes.

This way items can be reunited with their owners. Children who attend Breakfast Club and After School Clubs should be reminded to put all their clothes in their school bags and we ask that you make sure they bring everything home on the day.

We all do our best to ensure children keep their own items, but as you can appreciate, this task is an impossible one if we have 10 identical school jumpers with no names in them.

As always, we have good supplies of pre-loved items in our swap shop, so please ask Sarah Johnson if you need any more uniform.

Rudolph Run

We have received notification from Barnsley Hospice that the total amount raised by Hoyland Springwood in our annual Rudolph Run was £499.50!
Wow! Springwood, you are amazing.

Cooking Club

Cooking club is held on Wednesday in the Hub. There is a nominal charge of £1 per week which can be paid to reception or to the cooking club leaders. Please send your child with a tub (with their name on) so they can bring their creations home.

Violets PE Kits

Mrs Fear's Class 3 Violets will only need to attend school in their PE kit on a Wednesday until further notice.

Bonnie—The Springwood Support Dog

Bonnie is now attending school two days a week Tuesday and Friday.

She is very comfortable in her own space in the Leadership Office in between training and learning her way around school under the careful supervision of Miss Waugh. She is quickly becoming used to the sights, smells and noises that happen around school. She went for her first walk with Mrs Hoyle's class last week and did amazingly well. The children were so proud that their behaviour had earned them this wonderful reward and Bonnie enjoyed her first trip to the park. She was supervised at all times by a grown up, but the children also took it in turns to hold a second lead.

Her training is going brilliantly and her first assessment is booked in for March. She still has a lot to learn but she has adapted to Springwood life and we could not be prouder.
