School Photographer

The School Photographer will be in school on Monday 9th October 2023.

Photographs will be taken throughout the school day and children who have siblings in school will also be photographed together.

At the end of the day on Monday, we will send out the order code for your child / children and details of how photograph orders can be made direct to the photography company.

We will take photographs of every child in school although these images will only ever be used for our internal systems within school.

Parents and carers are under no obligation to buy these photographs. But if you wish to, you can choose either individual photos, family groups or both but we always give you the opportunity to view the images before you make your decision.

Say Cheese Springwood!

Mya C, Zaine, Ella G, James D, Addison,
Dom, Macey, McKenzie, Liam, Neo.**

Together we SHINE.

SRE Consultation

As part of the National Curriculum in PSHE, children are taught about relationships and sex education in a way that is appropriate and relevant to their age group. Children will bring home a detailed letter about what is taught and how it is taught.

We would like to invite all parents to take part in a consultation on SRE in our school.

After you have read through the information in the SRE letter, please feel free to contact Mrs Parker or your child's class teacher if there are any queries or comments regarding the teaching of SRE in school. Alternatively, you can write in with you comments or send an email marked for the attention of Mrs Parker.

The consultation will close on Friday 27th October 2023.

Your input is greatly appreciated.

Parent Governor Vacancy

We are seeking to recruit a new Parent Governor. Our current Chair of Governors, Mrs Ward, is stepping down at the end of her 4-year term and we are really interested to hear from any parents who would like the opportunity to support our school on the Governing Body.

A Parent Governor should be a critical friend of the school. Someone who has a child attending at Hoyland Springwood and is interested in helping the school to move forward and improve to ensure our children are given the very best opportunities that we can offer. It doesn't matter if your child is in FS2 or Y6, Resourced Provision or Mainstream. All that matters is you are willing to volunteer a couple of hours a month to attend the organised meetings representing the views of the Parents at Hoyland Springwood.

If you are interested and think that you have something to offer, please complete the relevant forms and hand in to the school office as soon as possible.
