Dear Parent / Carer in Mrs Parkers Class

As you are aware some teaching unions have advised their members of their “legal right” not to return to their classrooms next week amid serious health and safety fears.

I am writing to inform you that your child’s class teacher is following the guidance of their union and will not be teaching their class as normal from tomorrow. If you have informed us that you are a key worker, or we have informed you that we consider your child as vulnerable, then your child can attend school as normal.

If you are not a key worker and you have not been informed that your child is considered vulnerable then your child/ren must stay at home.

For those children who are at home your child’s class teacher will be in contact with you to explain how they will provide remote education to enable your child/ren to continue to learn.

Thank you for your continued support in these difficult times.

Yours Sincerely,

*J. Hunt*
