

How to Join a Zoom Meeting

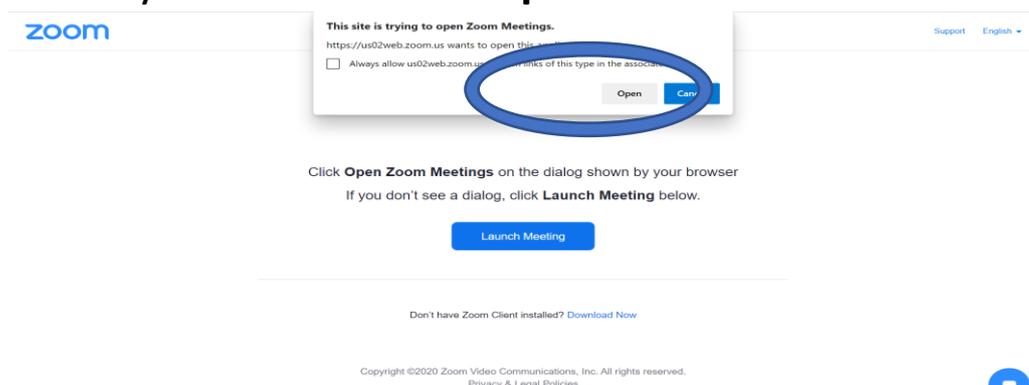

1. Click on to your notifications on Seesaw.

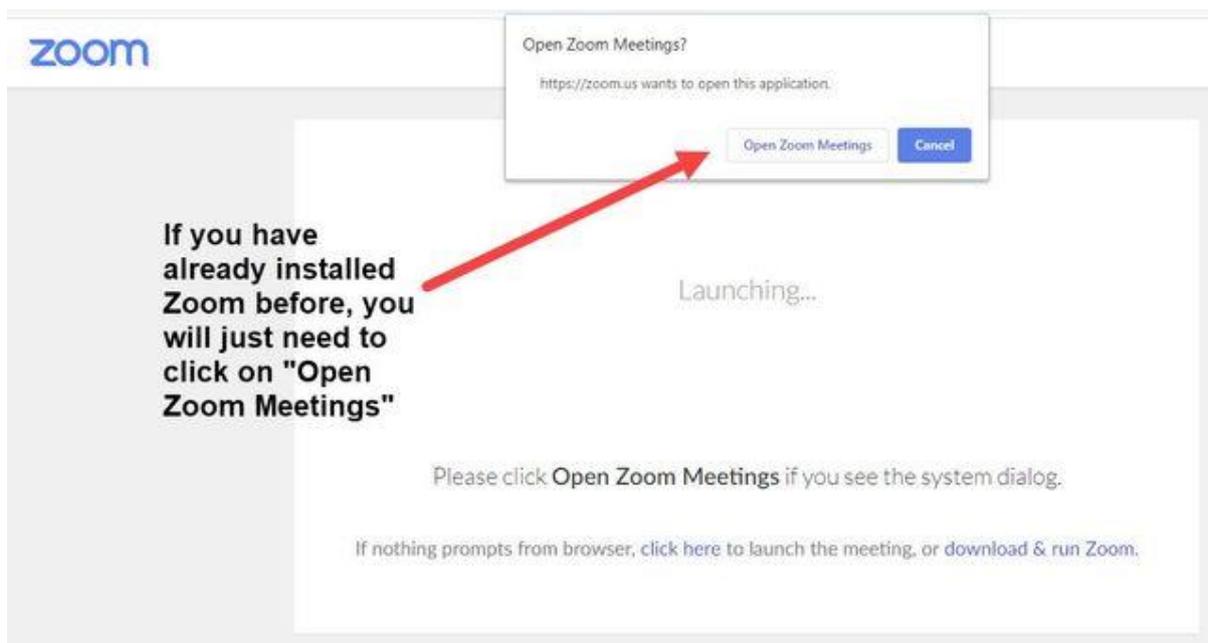

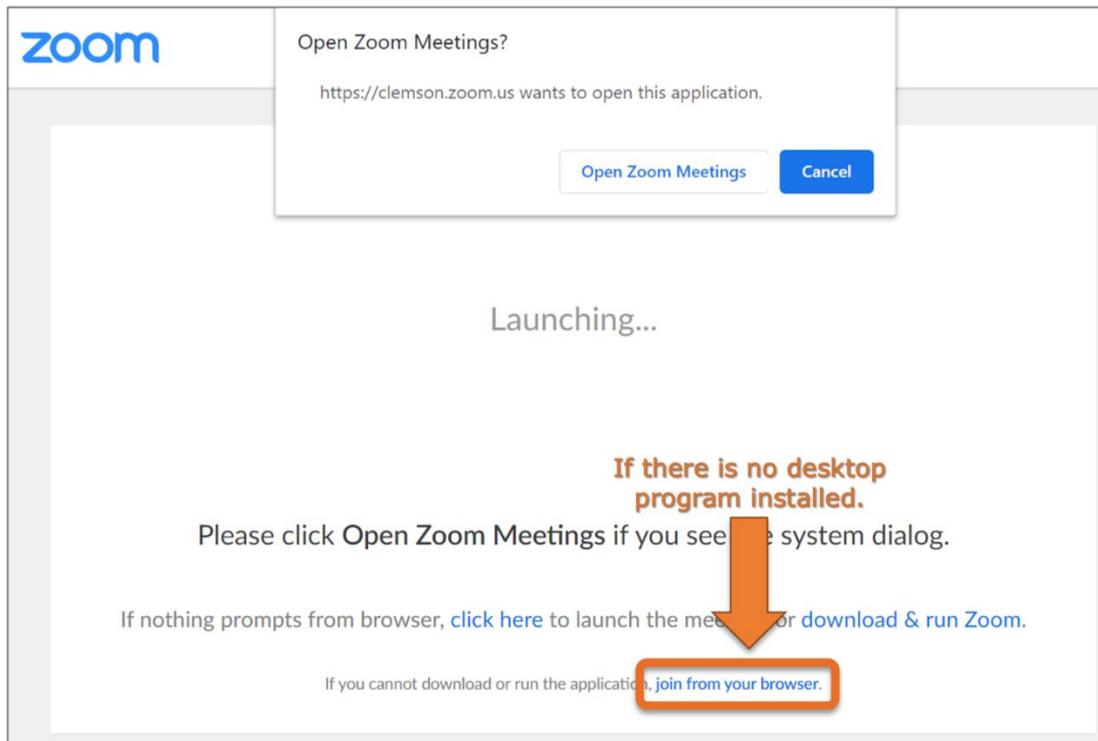

2. Click on to the invitation link text. Click on the **link** underneath 'join zoom meeting'.

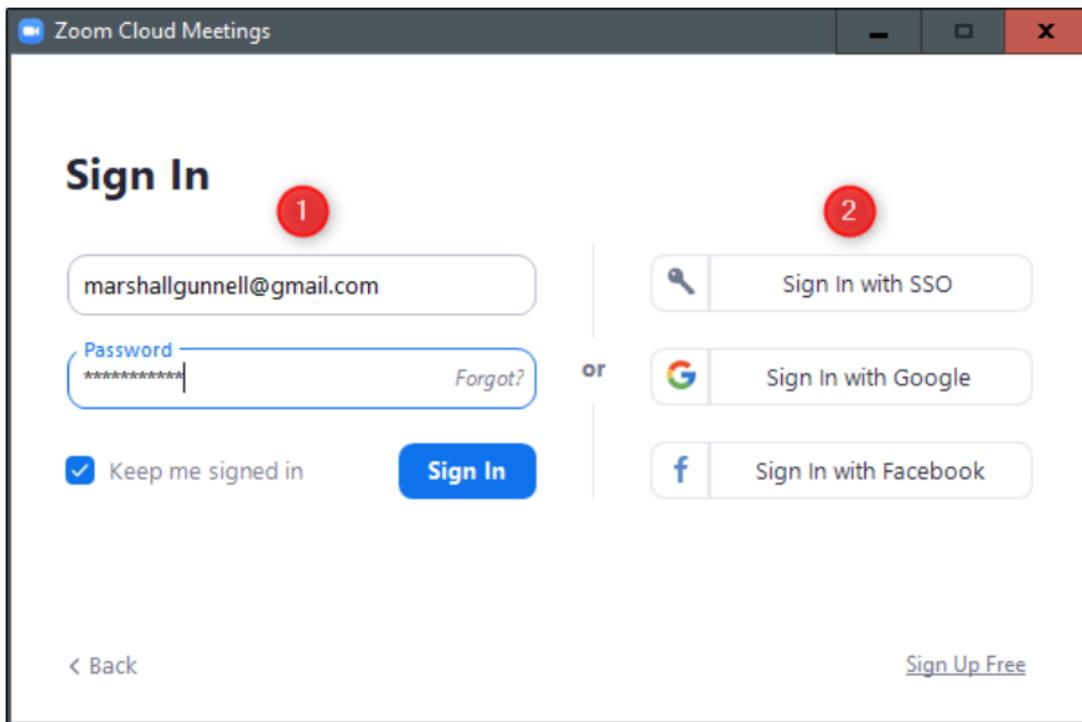

3. After you have clicked the link, a webpage will open. When you see this click **'Open'**

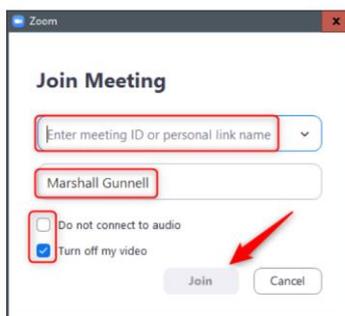

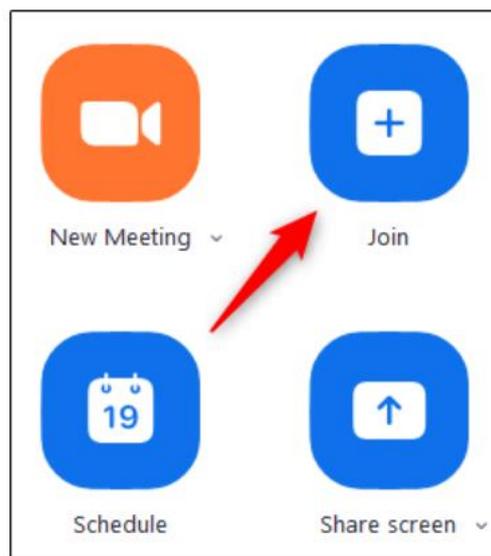

4. If you need to download the Zoom app, make sure to click on **‘with web devices’** and it will allow you to download. You do not have to download it; you can click on **‘Join from your browser’**

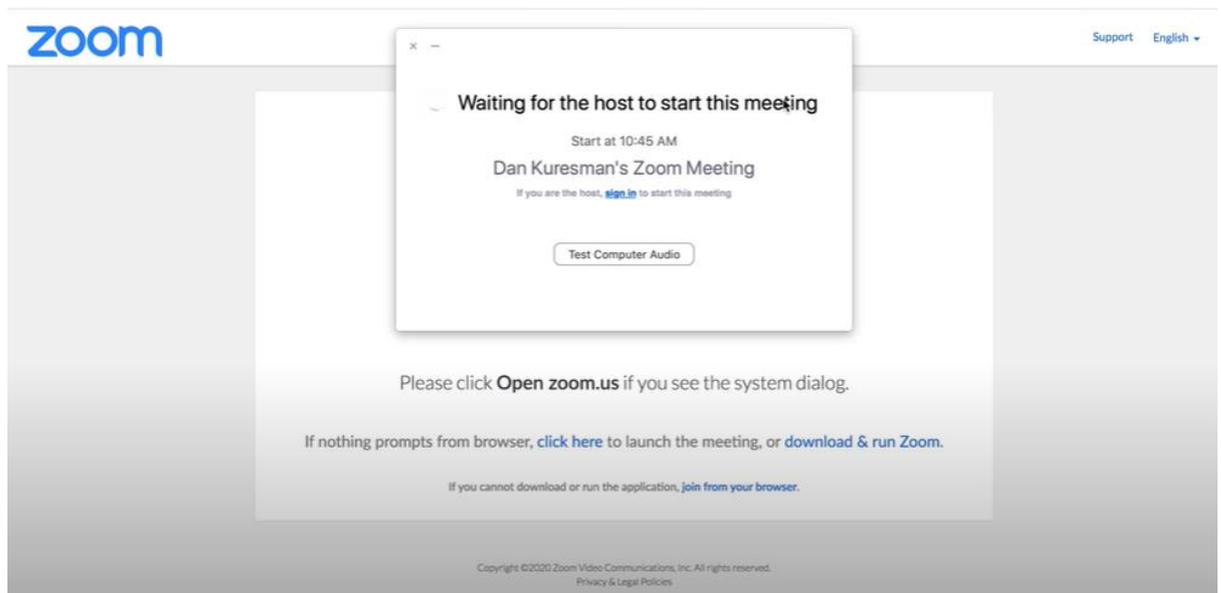

5. If you have the zoom app, simply log in and click on ‘Join the meeting’

You can use the link or the meeting ID and password.

6. After you have clicked on **'open'**, you will be waiting until the host arrives.

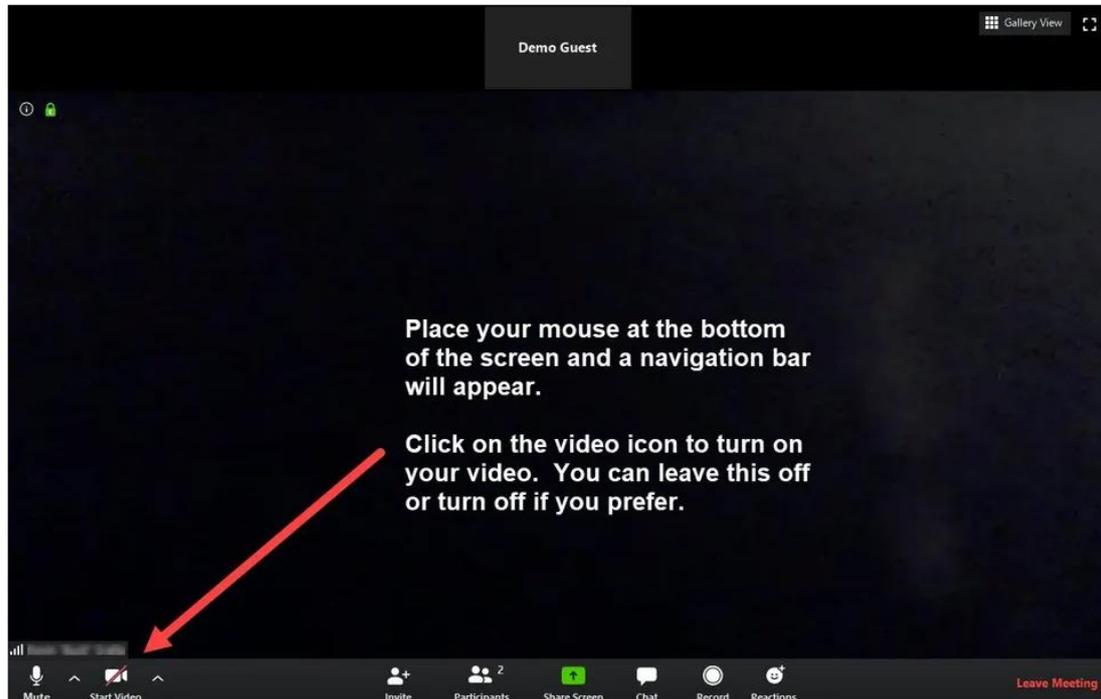

7. Once the host arrives, turn on the microphone

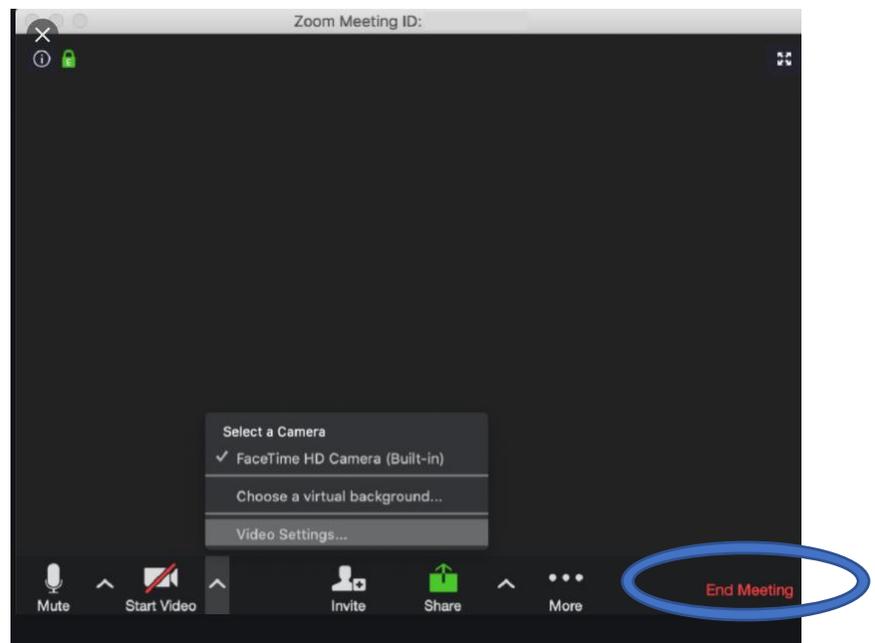

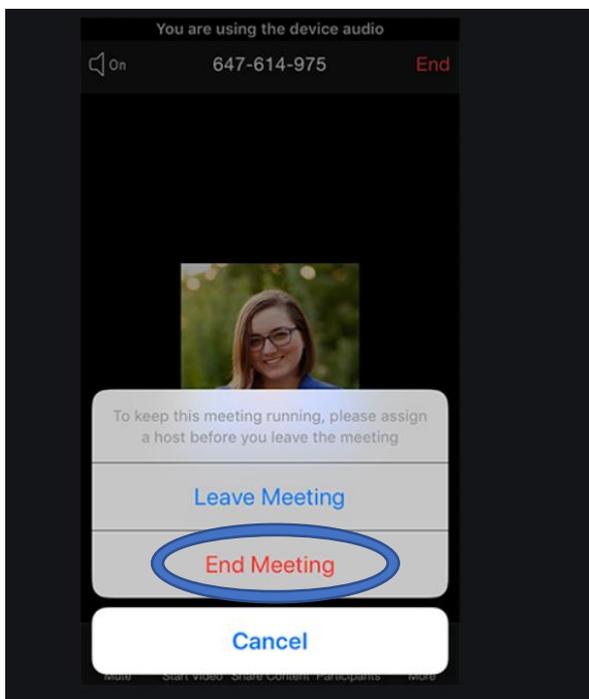

Click to join with Computer Audio or you can click on "Phone Call" to call in and listen/talk.

8. Turn on the video

9. Ending a meeting

Click on to the 'end meeting'.
