## **Statement of Intent:**

Hoyland Springwood Primary School is a smaller than average primary school. We have the highest expectations of all our children including those from disadvantaged backgrounds.

A large proportion of our disadvantaged pupils need additional support and we will use all resources available to help them achieve their full potential.

We aim to do this through the best quality first teaching and learning supported by specifically targeted intervention where necessary to ensure progress; aiming that all disadvantaged pupils are achieving in line with their peers.

Funding will also support the wider family and community issues such as attendance and a pro-active approach to pastoral support. We also aim to raise aspiration within our school community so every child can make the most of the opportunities with which they are provided.

### **Principles:**

We ensure that teaching and learning opportunities meet the needs of all the pupils

- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.

### Demography and School Context

Hoyland Springwood Primary is a smaller than the average-sized primary school (142 pupils in a 250 place school).

The school serves an area of significant deprivation with 50% of pupils being disadvantaged and currently entitled to FSM (national 20.8%) and 54% are Pupil Premium. In some classes this percentage is as high as 63%. In addition 36% of the disadvantaged pupils have SEND.

Challenge number	Detail of challenge
1	A number of children enter EYFS with poor speaking, listening and communication skills
2	Disadvantaged children's have poor aspirations and employment rates are low.
3	Delivery of phonics needs to be robust and consistent to ensure that all pupils are readers by 7yrs through the delivery of RWINC.
4	Historically, disadvantaged pupils do not achieve as well as more able non-disadvantaged pupils. There is proportion of disadvantaged pupils in school that are also SEND
5	Internal assessments indicate that attainment in writing amongst some of our disadvantaged pupils is below that of their peers
6	Disadvantaged children's attendance rates are traditionally not as high as their non-disadvantaged peers
7	Our Pastoral records show some of our disadvantaged pupils will require additional support for (anxiety, self-esteem, behaviour management) and will require further support from school. Pupils and their families have social and emotional difficulties, including medical and mental health issues

### **Intended Outcomes:**

<b>Intended outcome</b>	<b>Success criteria</b>
Increased attainment at ARE at statutory points of assessment for disadvantaged pupils, especially for those that are non-SEND	More disadvantaged pupils attain inline with national data at EYS, KS1 and KS2 points of assessment
Improved Reading, Writing and Maths combined attainment among disadvantaged pupils especially at KS1	KS1 Reading, Writing and Maths combined outcomes in 2022 - 2023 show that more disadvantaged pupils meet the expected standard in all 3 subjects.
RWInc is embedded in EYFS and KS1. Pupils are at least in line with ARE at all stages.	Outcomes through phonics screening test is above national consistently with the aim of 100% passing (unless significant SEND needs).
Language is the driver for teaching the curriculum, key vocabulary is utilised in all subjects to narrow the gap of disadvantaged pupils through granular knowledge to ensure it is embedded into long term memory.	Language is evident in all environments, pupils are able to use the vocabulary confidently verbally and in their written work. Parents are aware of the key vocabulary they can use to support at home.
The school's curriculum for disadvantaged centres around; a love of learning, excellent personal development with ambition and aspiration	There significant increase in participation in enrichment activities, particularly among disadvantaged pupils. Pupils talk positively; about the curriculum they receive
Sustained improvement in wellbeing for all pupils in our school, particularly our disadvantaged pupils.	Sustained high levels of wellbeing from 2022 - 2023 demonstrated by: <ul style="list-style-type: none"><li>• qualitative data from pupil voice, parent feedback and teacher observations</li></ul>
Improved attendance of disadvantaged pupils closing the gap between PP and non-PP children	Disadvantaged children meet school attendance expectations, and the number of persistently absent disadvantaged pupils are reduced The attendance gap between disadvantaged pupils and their non-disadvantaged peers being reduced.

<b>Activity</b>	<b>Evidence that supports this approach</b>	<b>Challenge number(s) addressed</b>
Long term plans identify trips, visitors and possible links in community to build experiences and aspirations of all pupils.	Trips, visitors, links in the community to widen experiences and support of what the community has to offer to widen knowledge and understanding of their world and the wider world through the curriculum offer. Staff to have appropriate CPD to support to deliver the high quality learning of all subjects.	

<p>High quality and effective RWInc to be delivered to EYFS, Key Stage 1 pupils and intervention for KS2 pupils who still need the intensive programme.</p>	<p>EEF: Systematic phonics approaches explicitly teach pupils a comprehensive set of letter-sound relationships for reading and sound-letter relationships for spelling.</p> <p>Pupils enter school significantly below ARE with a specific gap in language and understanding. Pupils are unlikely to have the breadth of vocabulary that reflects their experiences on entry to Reception. Gap between disadvantaged and non-disadvantaged is wide. Reading the key to learning and school focus on reading as soon as pupils enter school to ensure by 7 every child is a reader. Pupil Premium progress in to be a focus of assessment and tracking.</p>	
<p>Reading Leader daily coaching, CPD weekly meetings and development days to support the delivery to ensure quality and consistent approach in all groups.</p>	<p>Daily support to ensure a consistent quality approach to the teaching of phonics and all reading teachers have access to the correct level of support to ensure the rigor. Assessment enables rapid progress movement and drive for all pupils to reach their potential. Pupil Premium progress in to be a focus of assessment and tracking.</p>	
<p>Continue to embed the reading culture and offer a range of text styles and authors for all pupils to widen their literature to link to the writing.</p>	<p>EEF: It is.. important to remember that progress in literacy requires motivation and engagement, which will help children to develop persistence and enjoyment in their reading. Children will need a range of wider language and literacy experiences to develop their understanding of written texts in all their forms. This should include active engagement with different media and genres of texts and a wide range of content topics. Pupil Premium progress in to be a focus of assessment and tracking in pupil progress meetings.</p>	

<p>Support for writing for key stage 1 to narrow the gap of disadvantaged and non-disadvantaged.</p> <p>Staff CPD for writing using the writing framework, ensuring confidence in the subject knowledge and delivery of targeted intervention when required</p>	<p>EEF: Purposeful speaking and listening activities support the development of pupils' language capability and provides a foundation for thinking and communication. Purposeful activities include: reading books aloud and discussing them; activities that extend pupils' expressive and receptive vocabulary; collaborative learning activities where pupils can share their thought processes.</p> <p>The literacy writing process is working well and follows a Gather, Skills, Apply approach which is enabling pupils working at age related expectations to make good progress. Those who are below age related are not making the accelerated progress that they need to, to close the gap to their peers.</p> <p>-literacy lead and PP lead to work together to develop planning with a view to making sure all pupils next steps are planned for and embedded.</p> <p>-staff to be trained on the changes to planning and how we can ensure all pupils have access to their year group related objective whilst ensuring gaps in knowledge are filled.</p> <p>-monitor effectiveness of planning to address gaps for specific pupils. Pupil Premium progress in to be a focus of assessment and tracking in pupil progress meetings.</p> <p>-lessons observations and feedback to be related to progress of pupils working below age related expectations. Pupil Premium progress in to be a focus within monitoring</p>	
<p>Further develop the use of our outdoor spaces</p>	<p>It is widely recognised that nature and time outside has a positive impact on wellbeing. This is particularly important in the aftermath of</p>	

	the covid-19 lockdowns in order to ensure the positive attitude and wellbeing of the pupils and staff in school.	
On going training and CPD for teachers	Spending on improving teaching including professional development to ensure an effective teacher is in front of every class, and that every teacher is supported to keep improving. This is a key ingredient for a successful school.  EEF-Guide-to-the-Pupil-Premium-Autumn-2021.pdf	
Standardised diagnostics assessments purchased (NARC with NFER)	Standardised tests can provide reliable insights into the specific strengths and weaknesses of each pupil to help ensure they receive the correct additional support through interventions or teacher instruction:  Teacher Feedback to Improve Pupil Learning   EEF (educationendowmentfoundation.org.uk)	
Daily targeted intervention by teachers linked to classroom teaching and the curriculum.	Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind, both one-to-one:  One to one tuition   EEF (educationendowmentfoundation.org.uk) and in small groups: Small group tuition   EEF (educationendowmentfoundation.org.uk)	
Purchase of high quality resources to support with teaching (Wider curriculum books, Purple Mash, Times tables Rockstars, Numbots etc..).	The best available evidence indicates that great teaching is the most important lever schools have to improve pupil attainment. Ensuring every teacher is supported in delivering high-quality teaching is essential to achieving the best outcomes for all pupils, particularly the most disadvantaged among them.  High-quality teaching   EEF (educationendowmentfoundation.org.uk)	

Provide enrichment clubs to support pupils' social and emotional development and give pupils an opportunity to develop specific talents.	There is evidence that character / essential life skills in childhood are associated with a range of positive outcomes at school and beyond. Life skills and enrichment   EEF (educationendowmentfoundation.org.uk)

**Targeted Academic Support: (tutoring, one-to-one support structured interventions)**

**Budgeted costs:**

<b>Action</b>	<b>Costings</b>
TA interventions = 56% of TAs time (including incredible Me!)	£68,125
7 TAs complete 1:1 groups for just RWINc	£5235
<b>Budgeted costs:</b>	<b>£73360</b>

<b>Activity</b>	<b>Evidence that supports this approach</b>	<b>Challenge number(s) addressed</b>
Highly qualified TA's across school. Targeted intervention for core subjects (Reading/Writing/Maths)	Tuition in the form of 1:1 or towards a targeted group is an effective method to support children who are failing to meet the required standard. Small group tuition   EEF (educationendowmentfoundation.org.uk) One to one tuition   EEF (educationendowmentfoundation.org.uk)	

<p>1:1 TAs to support RWINC bottom 20% across school.</p>	<p>EEF: If TAs have a direct instructional role it is important they add value to the work of the teacher, not replace them – the expectation should be that the needs of all pupils are addressed, first and foremost, through high quality classroom teaching. Schools should try and organise staff so that the pupils who struggle most have as much time with the teacher as others.</p> <p>Schools should provide sufficient time for TA training and for teachers and TAs to meet out of class to enable the necessary lesson preparation and feedback.</p> <p>TAs are part of development days, have individualised coaching session and training based on the pupils they teach. Intensive CPD and support provide TAs with appropriate skills to provide specific intervention.</p> <p>Pupil Premium progress in to be a focus of assessment and tracking in phonics.</p>	
<p>Support for writing for key stage 1 to narrow the gap of disadvantaged and non-disadvantaged. Focus on I, We, you do approach in the writing format</p>	<p>Literacy lead to train a selected TA to run writing intervention based on a needs analysis in order to close the gap in attainment. Pupil Premium progress in to be a focus of assessment and tracking in pupil progress meetings.</p>	
<p>Disadvantaged children in the Early years and Ks1 are to receive Wellcomm intervention.</p>	<p>Evidence suggest that oral language interventions have an immediate impact on children’s participation in classroom discussion. Oral language interventions   EEF (<a href="http://educationendowmentfoundation.org.uk">educationendowmentfoundation.org.uk</a>)</p>
