Dear Parent / Carer,

## School Photographs

The School Photographer has been in school today and the children have been very well behaved, maintaining their bubbles and social distancing while the photographs were taken.

Each class had a group photograph taken as well as individual photographs for each child in school. We also attempted to complete group sibling portraits for everyone.

Attached to this letter, there are 2 cards. The first card will have your child's name on and this card should be used to look at and order individual portraits and sibling photographs. Please follow the instructions on the card and enter your Photo ID and Photo Key.

The second card will have your child's class portrait on and should be used to order the class group photographs. Please follow the instructions on the card and enter your Photo ID and Photo Key.

It is important to note that you are under no obligation to purchase any of these photographs. But we would like to give you the opportunity to look at the photographs before you make your decision. All orders should be made directly to the School Photography Company using information on the attached cards. **Orders must be made by the 16<sup>th</sup> May 2021** and you can choose free delivery to school or pay for postage for home delivery.

Yours Sincerely,

Mrs Jennifer Hunt
