Monday 9th November 2020

Dear Parents and Carers,

## Day of Virtual Learning in School

We are proposing to hold a **virtual learning day in school**. This is in case there is ever a bubble closure and also to support learning from home. Each class has been assigned a different day (please see the table below) and on this day, we are asking parents to allow the children to bring the device they will use for home learning (tablet or laptop, not a phone). Please ensure the device is fully charged on the day. If you do not have a laptop or tablet for your children to use, please don't worry, teaching staff will make sure the children will still take part in the learning that day.

During the day, we will teach the children how to log on to SeeSaw and Teams, so that if ever we have to close a bubble, the children will know how to engage in learning set. Devices will be kept safe and secure and only your child will use their device.

The day to bring in devices for the virtual home learning day is:

<b>KINGFISHERS</b>	Monday 16 <sup>th</sup> November
<b>MOOSE</b>	Tuesday 17 <sup>th</sup> November
<b>NIGHTINGALES</b>	Wednesday 18 <sup>th</sup> November
<b>LADYBIRDS</b>	Thursday 19 <sup>th</sup> November
<b>SQUIRRELS</b>	Friday 20 <sup>th</sup> November
<b>RESOURCE PROVISION</b>	Monday 23 <sup>rd</sup> November.

Currently, children in KS2 are being set homework on SeeSaw. FS2/KS1 staff are sharing Read Write Inc. (RWI) videos on SeeSaw so that they can be watched at home. We are using SeeSaw regularly as a way to engage children in their learning at home, it helps them to become familiar with a new way to access learning and it allows us to feedback to the children and monitor what learning has been done.

You can log on to Seesaw at home and for parents who don't yet know how to and want to, please visit this youtube video.... <https://www.youtube.com/watch?v=W9FyB1SCbeM/>. Seesaw should only be used on a laptop or tablet for home learning as phones do not have the capabilities to enable learning to be effective.

### Simple Instructions for Families

1. Go to <https://web.seesaw.me> on a computer or install the Seesaw **Home Learning** on Apple or Android app.
2. Tap "I'm a Student".
3. Scan or type in your Home Learning code that has been given to the children. **If you don't have it, please ask.**
4. Post to your journal, respond to activities, and view class announcements.
5. Remember, this code is like a password. Keep it safe and DO NOT SHARE!

Yours sincerely

J. Hunt

Mrs Jennifer Hunt
